

Baptiste Meurant

🏠 43 years 🕒 18 years XP

Software developer, Architect, Technical Director at Worldline

Experienced **full-stack developer** and software architect. I am **pragmatism** and committed to the principles of **software craftsmanship**. I like working in a **team**, with **motivated and passionate** people. I like **learning** from people, **sharing, leading, discussing** technologies, designs, architectures, etc. I try to maintain a **balance** between development and technical management.

📍 Lyon, France

Specifications, design, programming, technical and functional support, production monitoring.
Technologies: Web applications (Java, Javascript, HTML, CSS), infrastructures platforms (mailing, etc.)

Software engineer

France Telecom - Orange

Oct. 2005 - Jul. 2006

Business analysis, software and database design for managing commercial offers, partners management.
Technologies: Java, SQL, HTML, CSS, JSP, XML, UML

THINGS I HAVE DONE

CONTRIBUTOR, LEADER RESTHUB

2009 - 2015

Open source stack to build Modern Web Applications based on Spring, Backbone, Hibernate. Discontinued.

EMBER TRAINING

An in-depth introduction to ember. Can be followed as an autonomous tutorial but also to serve as a tool for training.

CNRS, JAVASCRIPT ECOSYSTEM PRESENTATION

2017

A 2-hour presentation on the JavaScript ecosystem for the CNRS ARAMIS network in Lyon.

OPENSOURCE CONTRIBUTIONS

Modest OpenSource contributions on ember framework, creation of an ember addon, etc.

TECHNICAL TRANSLATIONS

2014

Contribution to the french translation of Git probook v2.
Translation of an article about emberjs in enterprise on InfoQ

ARTICLES & TUTORIALS

2007, 2014, 2017

Spring, Tapestry & Hibernate tutorials (in french), translated by the Apache Tapestry team, [articles about ember](#) (in french) and SPA. Various contributions on Worldline Tech Blog

EDUCATION

Institut National des Sciences Appliquées

Lyon, France

Master degree, Computer science

2002 - 2005

Institut Universitaire de Technologie

Aix en Provence, France

Associate degree, Computing

2000 - 2002

Université de Technologie

Compiègne, France

Core Curriculum

1998 - 2000

Lycée Louis Thuilliez

Amiens, France

High school diploma, with high honours

1998

LANGUAGES

Mother tongue

Proficient (C1)

Intermediate

Learning
